

Professional, affordable dental care.

Why the UNMC College of Dentistry?

- **All the services you need under one roof** - exams, cleanings, pediatric dentistry, braces, fillings, crowns, bridges, root canals, oral surgery, dental implants, dentures, periodontal care, cosmetic dentistry, oral pathology.
- **Significantly reduced fees compared to regional dental fees.**
- **Caring dental team** - nationally-renowned faculty, postgraduate dental residents, and exceptional dental and dental hygiene students.
- **Accept Blue Cross Blue Shield and Ameritas insurance.**

Your health and safety is our priority. Our enhanced safety measures during the COVID-19 pandemic include: complying with, and exceeding, all mandated and recommended infection control recommendations; screening all patients, staff and providers; and social distancing.
