

If snack time for your kids after play or sports includes "fruity" juices and chewies...

## Better send them back out to play!

\* 70 lb. child, "fruit flavored" drink and snack = 180 calories, 34 grams of sugar

To burn off those calories, your kids will have to:

Play hard for about 4.0 minutes

Pedal fast for about 4 ninutes

Refuel your kids with water and real fruit or veggies after sports and play.
